#### HOW TO READ THE LEGAL STATUSES OF PROPERTIES FROM THE DIRECTORY

## October 1997

Determinations of legal statuses occur in two places in the Historic Property Directory and the Archeological Determinations of Eligibility.

- 1. The columns "OTHREG (Other Registrations)" and "CHL#" (California Historic Landmark (CHL) Number), respectively, contains a listing of registrations other than National Register (NRHP), such as CHLs and HABS, and, if a CHL, its number is listed. A complete list of other registrations can be seen in Appendix 1.
- 2. The columns "OHP-PROG..", "PRG-REFERENCE-NUMBER", "STAT-DAT", "NRS", "CRIT", "EVAL" are currently specific to status determinations made by the Office of Historic Preservation (OHP), through a State or Federal process. and may be referred to as NRHP Evaluations though they are somewhat more comprehensive. These columns specify the Program in OHP which dealt with the property (OHP-PROG), the Program Reference Number under which the information has been filed within that Program (PRG-REFERENCE-NUMBER), the date when a status determination was made (STAT-DAT), the status determination (NRS), the National Register criteria under which the determination was made (CRIT) and the individual who made the determination or who had the legal responsibility for that evaluation (EVAL). This last code also gives the capacity or unit of that individual.

A list of OHP-PROGRAMS can be seen in Appendix 2, the formats and meanings of the Program Reference Numbers is given in Appendix 3, the translation of Status Codes is given in Appendix 4 and, a listing of approved Evaluator Codes is given in Appendix 5.

\* Note that, at this time, there is no specific measure of California Register Status though it may be inferred from this information.

Many properties have more than one status evaluation. It is the goal of the Office that every action OHP makes on a property will be reflected in this NRHP Status portion of this record. These will be sequentially listed with the most recent action being at the top of the list.

Since this file has developed over the last decade, several different conventions have been applied in entering this data. For instance, even though we currently record the status which has been derived from each specific action, at one time the statuses of all actions were elevated to the highest given. Consequently, you may see a determination of "1S" listed for a survey when it should have been "3S" for the survey followed by a "1S" for a National Register nomination. Further, prior to September 1994, properties were assigned HRI-numbers when they were received for nomination to the National Register or determined eligible for inclusion on the Nation Register. Subsequent to September 1994, these are being given a NAT.REG. number. As of this date, only those properties which have been identified through a qualifying survey are assigned an HRI-number.

Some different scenarios are given here as examples of interpretations of these status codes:

## Scenario #1:

PROP-#	OHP-PROG	PRG-REFERENCE-NUMB	STAT-DAT	NRS	CRIT	EVAL
086023	HIST.SURV.	2065-0105-0000	03/30/78	1S	AC	KPNP
	TAX.CERT.	537.9-37-0056	12/27/86	1S		
	HIST.SURV.	2065-0001-0000	03/30/78	1S	AC	KPNR

This property was listed on the National Register under criteria "A" and "C" on March 30th, 1978 by the Keeper of the National Register (KPNP). It was probably identified in at least one historic resource survey though the date and status determined in that survey has been changed to reflect the property's listing on the NRHP. It also has been submitted to the Office for Tax Act Certification though the results of that application cannot be seen in this record.

#### Scenario #2:

007172	HIST.SURV.	4101-0816-0221	07/31/91	1D	AC	KPNP
	HIST.SURV.	4101-0675-0162	05/25/89	7	Α	JCHI
	HIST.SURV.	4101-0120-0000	01/19/80	3S	С	DNHI

This property was surveyed twice. In 1980, it was evaluated as "appearing eligible for listing on the National Register" as an individual property. This determination was reviewed and/or assigned by Don Napoli in his capacity as Coordinator of the Historic Resources Inventory (DNHI). In 1989, it was entered into the database by Jay Corrio (JCHI) as part of another survey. This survey was not evaluated by Office staff so its status is "7" - "Pending". Finally, it was listed on the NRHP on July 31 1991 as a contributor to a district whose HRI-number is "4101-0816-9999".

## Scenario #3:

073592	HIST.SURV.	5449-0006-0000	09/08/94	7J	ABC	MLRG
	NAT.REG.	23-0040	09/08/94	7J		MLRG
	TAX.CERT.	537.9-23-0002	02/26/82	2D3		WRNP

This property was first seen by OHP as a Part 1 Application for the Tax Certification Program where Western Region of the National Park Service determined that it was eligible for the NRHP as part of a district on February 26 1982, and consequently for tax credits. It was subsequently submitted to OHP for nomination to the NRHP on September 8 1994 and is pending an evaluation. Maryln Lortie is the staff person in charge of the nomination process. The file number for the transaction log for this process is "23-0040".

## Scenario #4:

005593	PROJ.REVW.	HUD930120b	02/11/93			LWPR
	PROJ.REVW.	HUD930120b	02/11/93	2D2	AC	LWPR
	HIST.SURV.	4080-0136-0007		4D		

This property was first identified in a survey as part of a district (whose PROG-REF-NUMBER is "4080-0136-0007") and was evaluated as "may become eligible for listing as part of that district". The date of this evaluation is not reflected in the data file. This would indicate that the survey took place prior to 1982. This property was then reviewed by Lucinda Woodward as part of a 106 action. And, the property was determined eligible for listing on the NRHP under criteria "A" and "C" on February 11 1993. The top entry, which lists a date but no status, should be interpreted as a dataentry error.

#### Scenario #5:

046320	NAT.REG.	34-0007	05/17/90	2S1	KPNP
	HIST.SURV.	5630-0005-0000		3S	
	HIST.RES.	SPHI-SAC-010	11/22/88	7L	
	ST.PT.INT.	34-0003	11/04/88	7L	SHRC
	HIST.RES.	SHL-0734	04/08/60	7L	

This property was listed as a California State Historic Landmark in April 8 1960. Its State Historic Landmark Number is "734". It was heard by the State Historic Resources Commission as a State Point of Historic Interest on November 4 1988 and was registered as a State Point of Historic Interest on November 11 1988 with a number of "SAC-10". It was identified in a survey at some unspecified date and evaluated as "appears eligible for listing on the NRHP as an individual property." Finally, it was determined eligible for listing on the NRHP by the Keeper of the Register on May 17 1990. N.B.: it is possible that what appears as a survey entry is actually OHP's evaluation of this property in the nomination process.

## Scenario #6:

043632	ST.FND.PRG	619.0-HP-88-37-012	12/21/88	3	HI
	FED.FND.PR	629.0-75-HPF-31-01	01/01/75	7L

	HIST.SURV.	2138-0009-0000	01/01/74	6	

This record, indicates that in 1974 this property was determined to be ineligible for listing on the NRHP. It was also listed on the NRHP in that same year on December 16th. I would assume that one of these entries is in error. Since this property was the subject of a Historic Preservation Grant in 1975 (FED.FND.PR), and a State Bond Grant in 1988, I would assume that this property was listed on the National Register and the determination of ineligibility is in error.

## Scenario #7:

099999	PROJ.REVW.	HUD931102A	12/22/93	6Y2	NDPR
	ST.FND.PRG	619.0-84-HP-43-007	11/04/85	3	HI
	HIST.SURV.	5014-0003-0000	01/06/84	3S	

Here we see a property that was surveyed in 1984 and evaluated as "appears eligible for listing on the NRHP as an individual property". It was an applicant for a State Park Bond Grant and was eligible for this in 1985. In 1993 it was "determined to be not eligible for listing on the NRHP but was not evaluated for local listing."

## State Historic Landmarks

State Historic Landmarks are ordered numerically, i.e. SHL-0001. In the case of satellites the Landmarks will receive an extra two digits, i.e. SHL-0001 and its satellite SHL-0001-01. The numbering of satellites generally begins with "-01". In some isolated cases however, the numbering appears to begin at "-02".

Some State Historic Landmarks are part of a thematic nomination. In these cases multiple properties may appear under one historic resource number. Generally thematic properties will be identified as such in their name, i.e. John Medica's Garden (Folk Art Them.).

SHL-###-xxxx "####" = StateHistLndmrk Number "xxxx" = satellite

#### California Points of Historic Interest

Points of Historic Interest are numbered numerically by county, i.e. SPHI-ALA-001. In the case of satellite properties, the properties are first numbered numerically and then alphabetically, i.e. SPHI-LAN-042 and its satellite SPHI-LAN-042-A. Occasional gaps in numerical sequence may occur if a property has been retired from the Point of Historical Interest program. This happens every time a property is upgraded from a Point of Historical Interest to a State Historic Landmark.

SPHI-CCC-###-xxxx "CCC" = County Initials
"###" = Seq.Num in Co.
